5.02 CLASS SPECIFICATIONS:

The Human Resources Director shall prepare or cause to be prepared written specifications for each new class established by the Commission, and shall be responsible for the revision of existing specifications when classes are redefined, consolidated, rendered out-of-date, or otherwise changed in concept. Each class specification shall include a representative class title; brief description of duties and responsibilities characteristic of positions in the class; and a statement of minimum qualifications deemed to be requisite to proficient performance. The class specifications are not to be considered restrictive nor construed as limiting the duties and responsibilities of any position. They neither limit nor modify the authority of any County official or the Board of Supervisors to assign duties, direct and control the work of employees in the classified service. However, no employee shall be required to perform duties of the position outside of the classification to which he/she has been appointed, except on a temporary basis. The class specifications are descriptive and explanatory of characteristic duties and responsibilities of positions in a class and, as such, they are to be interpreted in their entirety and in relation to others in the classification plan. Official copies of all class specifications indicating the dates of establishment and revision shall be on file in the office of the Human Resources Director and available for public reference. [Ord. 2.40.080(a)]

Whenever a department head proposes or assigns on a permanent basis duties, which are significantly different from those described in the class specification for that position, a report will be made to the Human Resources Director, who will initiate a classification study. [Ord. 2.40.080(a)] (03/17/05)

When, following a study of a position or group of positions, the position or positions is/are found to be incorrectly classified, the Human Resources Director shall initiate action to reallocate the position(s) to a more appropriate class(es) in the classification plan or, when necessary, recommend to the Commission that a new, more descriptive class or classes be established. Otherwise, the incumbent shall be required to qualify through qualifying competitive examination, be certifiable, and be appointed to the reallocated position. If not successful in the examination, the employee may request to be reassigned within his or her own department or transferred to a vacant position in the class in which he or she has permanent status; elect to displace another employee in his or her own department who has less time-in-service in the class in which he or she has permanent status; or be laid off in accordance with the provisions of Rule 12.04. In addition, those incumbents whose position has been reclassified upward shall not be required to serve a probationary period if they have been satisfactorily performing the duties for a period of six months. (12/22/82)(9/28/88)(5/24/00)
- (b) **Lateral:** When a position is allocated to a class with the same or essentially equivalent duties and responsibilities, the incumbent shall be granted status in the reallocated position.
- (c) **Downward:** When a position is allocated to a class with lower level duties and responsibilities, the incumbent may: request to be reassigned within his or her own department or transferred to a vacant position in the class in which he or she has permanent status; elect to retain the position at the lower level with status at that level; or be separated from County service and placed on a reemployment list for the class in which he or she has permanent status. (03/17/05)

RULE 7. EXAMINATIONS

7.01 NATURE OF EXAMINATIONS:

All examinations for employment in the classified service shall be fair, impartial, and except as otherwise provided in Rule 7.06, competitive. [Ord. 2.40.080(b)]

7.02 CHARACTER OF EXAMINATIONS:

All competitive examinations shall consist of one or more parts, each carrying a specific numerical weight as indicated on the examination announcement or reported to candidates at the time of examination. When there are two or more candidates competing, the examination shall be designed to both qualify and rank the candidates relative to their individual abilities to perform the duties of the position or positions to be filled through the examination process.

- (a) Methods of Testing:** The qualifications and/or relative ability of candidates shall be determined through an examination process consisting of one or more of the following methods of testing: written test; oral examinations by appraisal boards; personal interviews; tests of physical agility, strength, or stamina; practical performance tests; application rating; reference inquiry relative to past performance; any other valid and reliable method of examination.
- (b) Establishing Minimum Passing Scores/Weighting:** The Human Resources Director shall establish minimum passing scores for each examination consistent with the requirements of the position or positions to be filled, the complexity of the examination, and sound statistical analysis of the distribution of scores. The Human Resources Director shall weigh the sections of the examination according to the relative importance of each in the examination process and may require a passing score in each section in addition to an overall passing score. When written tests are used in the examination process, the examinations shall be so conducted that the identity of candidates will not be known to persons administering or scoring the tests until all tests have been scored and a minimum passing score established. (03/17/05)
- (c) Oral Examinations:** Oral examinations shall be included in all examinations for classes which involve important supervisory or administrative duties; or are professional or technical and require frequent contact with the public. This requirement may be waived by the Human Resources Director when it is anticipated that the entire eligible list will be certified or it is impractical to conduct such tests because of a statewide or national recruitment effort, or when other examination procedures are more appropriate for a particular recruitment. Oral boards for such examinations shall include at least one person who is well acquainted with the personal and professional requirements of the class for which the examination is conducted. Promotional oral boards shall include at least one person who is not employed by the department(s) in which the class is used. (12/22/82) (09/28/11)

7.03 SCHEDULING OF EXAMINATIONS:

The Human Resources Director shall schedule examinations as necessary to fill existing or anticipated vacancies in the classified service, and may conduct continuous testing for those classes where vacancies occur frequently.

7.04 EXAMINATION ANNOUNCEMENTS:

A written announcement of each examination shall be posted on the official bulletin board or boards for at least a one-week period prior to the final filing date of the examination. The need for further publicity and/or distribution of the announcements shall be determined by the Human Resources Director in accordance with the anticipated availability of candidates. The examination announcement shall specify:

- (a) The title and a brief description of the specific position or class of positions for which the examination is announced;
- (b) The salary for the position or class;
- (c) The minimum qualifications required for admission to the examination;
- (d) The final filing date and method of filing;
- (e) A general statement of the methods of testing which may be used in the examination; and
- (f) Such other information as the Human Resources Director deems useful in the recruitment of applicants. [Ord. 2.40.080(h)]

7.05 TYPES OF COMPETITIVE EXAMINATIONS:

Whenever practicable and in the best interest of the County, vacant positions in the classified service shall be filled through promotion of employees working at lower levels in the County organization. Examinations shall be of the following types:

- (a) **Departmental Promotional:** An examination in which only employees with permanent status within the requesting department are eligible to compete, and in which the resulting eligible list may only be used to promote employees to positions within the requesting department. (5/23/79)
- (b) **Promotional:** An examination in which only permanent employees are eligible to compete.
- (c) **Open:** An examination in which employees and outside applicants compete on an equal basis and priority in certification is based solely on the relative score of successful candidates.

7.06 NON-COMPETITIVE EXAMINATIONS:

In situations wherein it is impractical to conduct a competitive examination to determine the relative qualifications of candidates due to a scarcity of qualified candidates, the number and frequency of vacancies to be filled, the fact that the candidates are established as qualified by public licensure or certification, or any other circumstances in the best interest of the County and Equal Employment Opportunity, the Human Resources Director shall recommend to the Commission that the positions involved be filled through qualifying examination only, such qualification examination to be rated on a pass/fail basis only. When approved by the Commission, such examinations need not comply with the provisions in these Rules, which pertain to competitive examinations. [Ord. 2.40.080(e)]

7.07 VETERANS' PREFERENCE:

A person who is seeking employment with the County, who competes in an Open Examination, and who has on file with the County Veterans' Services Office an acceptable Veterans' Preference certificate shall, upon achieving a passing score in the examination, have a preferential credit of five percent (5%) of the maximum possible score on the examination added to his/her score. Such score shall constitute his/her total rating. However, in the case of a disabled veteran, such person shall have a preferential credit of ten percent (10%) of the maximum possible score on the examination added to his/her score, which shall constitute his/her total rating. For purposes of this section, "disabled veteran" means: a veteran as described in County Code Section 2.40.150(a) who has on file with the County Veterans' Service Office an acceptable Veterans' Preference Certificate and who is currently declared by the United States Veterans Administration to be ten percent (10%) or more disabled as a result of his/her military service. Proof of disability shall be deemed conclusive if it is of record with the United States Veterans Administration. [Ord. 2.40.150] (03/17/05)

7.08 TIME AND PLACE OF EXAMINATIONS:

Whenever applicants are required to appear for an examination, the time and place shall be designated in the official bulletin or the applicants shall be notified in person, by mail, electronic means, or by telephone. At the discretion of the Human Resources Director and examination may be given in more than one session or at more than one place, either within or outside the County. The administration of an examination, or any part thereof, may be postponed, canceled, or changed at any time. Notice of such postponement, cancellation, or change shall be posted on the official bulletin board and mailed, telephoned, electronically transmitted, or directly presented to candidates. No candidates shall be admitted after the designated time except at the discretion of the Human Resources Director or the Human Resources Director's official designee. (03/17/05)

7.09 INABILITY TO APPEAR:

If a candidate is unable to appear at the time and place designated, and so notifies the Human Resources Director on or before the designated date, the Human Resources Director may specially arrange to give the candidate the examination at another time and place provided that: (03/17/05)

- (a) There are sufficient and unavoidable legal, military, or religious reasons for the inability to appear;

- (b) No fraud will be perpetrated as a result of the special arrangements; and
- (c) No candidate involved in the examination will be materially prejudiced or assisted in taking that examination as a result of the special arrangements.

7.10 TIME OFF TO TAKE EXAMINATIONS:

When employees in the classified service are candidates for examinations, including hiring interviews administered by the County, and the examinations are scheduled during working hours, the employees shall be granted sufficient time off from their assigned duties to compete in such examinations. Time off granted for examination purposes shall be with salary and in addition to any vacation, sick leave, compensating time, or overtime accrued by the employee. (03/17/05)

7.11 NOTICE OF RESULT OF EXAMINATION:

When the scoring of an examination has been completed and the eligible list established, each candidate shall be notified by mail or electronic means of the result of his/her examination. If the examination is competitive, candidates who successfully passed the examination shall be additionally notified of their relative standing on the resultant eligible list. (03/17/05)

7.12 REVIEW OF EXAMINATION:

Within five business days of being mailed the results of a test, a candidate who participated in that examination may review his/her examination papers in the Human Resources Department office. Rating sheets utilized in the interviews conducted by an oral board shall not be available for review by candidates, nor shall any copyrighted examinations, standardized examinations, or essay type problem sections. Whenever the Human Resources Director deems that such review would violate test security, the Human Resources Director may modify or curtail this process accordingly. (12/22/82)(8/26/98)(03/17/05) (09/28/11)

7.13 EXAMINATION PROTESTS:

Any candidate who believes that any errors, improprieties, or ambiguities have occurred in the examination process may protest these concerns to the Human Resources Director during the review period. The Human Resources Director shall carefully investigate and review all such protests. Upon determining an alleged problem to be valid, the Human Resources Director shall make any necessary corrections or adjustments to the resultant eligible list(s), examination scores, and/or ratings as to nullify any effect that the error, impropriety, or ambiguity has had on the examination process. During the duration of any eligible list, the Human Resources Director may similarly correct any computational, typographic or related errors as may occur. (03/17/05)

7.14 APPEAL TO COMMISSION:

Any person aggrieved by a ruling of the Human Resources Director relative to the examination administration may appeal to the Commission pursuant to Rule 4.04. The Appellant shall be admitted to the next step in the examination process. However, no such appeal shall stay or prevent the promulgation of an eligible list or report of examination pursuant to Rule 9. (03/17/05)

7.15 REPORT OF EXAMINATION:

The Human Resources Director shall compile and submit to the Commission a complete report on each examination. The report shall include, along with other relevant information, a narrative properly describing the nature and disposition of any protests associated with the examination. (03/17/05)

7.16 PERMANENT EXAMINATION RECORDS:

The following examination records shall be deemed to be the property of the Commission and shall remain permanently in the custody of the Human Resources Director unless their destruction is authorized by the Commission and the Board of Supervisors: (03/17/05)

- (a) The Report of Examination (as provided in Rule 7.15) containing the names, ranks and scores of all applicants on each part of the examination, and in the total examination; (03/17/05)
- (b) A summary or narrative statement of the examination showing the method of testing used or the general nature of the examination, the weights of the various parts, the time and place each part was given, the minimum scores required, if any, and the names of the examiners;
- (c) A record of oral examinations or interviews, when used, showing the basis of rating and the formula or schedule for translation into a numerical score;
- (d) A keyed copy of the written examination, if any used; and
- (e) A copy of the examination announcement.

All other examination records, including examination papers, may be destroyed after expiration of the eligible list or such other period of time as required by law. (5/23/79)

7.17 DISTRICTS, AGENCIES, DEPARTMENTS BROUGHT UNDER CIVIL SERVICE SYSTEM: STATUS OF EMPLOYEES:

Should any public district, agency, or department now under the purview of the Board of Supervisors but not covered by the provisions of these Rules be brought into the Civil Service System of the County, employees of the district, agency, or department shall be blanketed in with permanent status if continuously employed by the district, agency or department for a period of at least six months immediately prior to being brought under the Civil Service System. Other employees of such district, agency, or department which have been employed for less than the six months required for blanketing in with permanent status, shall be eligible for permanent status upon completion of six months total combined Civil Service and non-Civil Service employment with the district, agency, or department. (03/17/05)

RULE 8. MEDICAL EXAMINATIONS

8.01 NEW EMPLOYEES, QUALIFYING MEDICAL EXAMINATIONS:

All persons selected for appointment to permanent full-time positions in the classified service and, as deemed appropriate by the Human Resources Director, persons selected for appointment to part-time, provisional or temporary assignments, shall be required to take and pass a qualifying medical examination as a condition of employment. Psychological examination shall be required as a condition of employment for any classes for which California statutes have established such a requirement. Qualifying medical examinations shall be administered at County expense prior to appointment or as soon thereafter as practical by physicians who are designated or approved by the Human Resources Director. Employees who fail to meet the medical standards for the position for which they were hired shall be terminated. [Ord. 2.40.080(i)] (9/28/88)

8.02 PRESENT EMPLOYEES, MEDICAL EXAMINATIONS:

- (a) If, in the opinion of the Appointing Authority, an employee is having difficulty performing the reasonable duties of his/her position due to suspected physical or mental health issues, the employee may be required to submit to and pass a medical examination designated or approved by the Human Resources Director to assure fitness for continued employment. If the examination finds the employee to be in an unfit condition to perform the position duties, the Appointing Authority, subject to the approval of the Human Resources Director, may require that the employee take a leave of absence to correct the condition as provided in Section 2.44.040(a) of the County Code. (03/17/05)
- (b) Employees returning to duty from sick leave or leave of absence granted for medical reasons may be required by the Human Resources Director to take and pass a designated or approved medical examination to assure fitness to return to work. [Ord. 2.44.040(e)]
- (c) The Human Resources Director may require that a present employee moving from a position in one medical standards group take and pass a designated or approved medical examination for the higher level to assure that the employee will be fit to meet the more demanding physical requirements of the new assignment.
- (d) The Commission may authorize the Human Resources Director to require such other special or periodic medical examinations, as it deems necessary to assure the continuing health, safety, and competent performance of employees in the classified service.
- (e) Any medical examination required or authorized by the Human Resources Director in accordance with this Rule shall be administered at County expense. [Ord. 2.40.080(i)] (03/17/05)

8.03 MEDICAL STANDARDS GROUPS:

The Human Resources Director shall assign all classes of positions to one of the medical standard groups set forth in the Medical Exam Program. The Human Resources Director, with appropriate medical consultation, shall maintain and update the specific medical standards established for each of the medical standards groups and shall change the assignment of positions to the groups as the needs of the classified service require. Such changes shall not affect persons who at the time the changes are implemented hold permanent appointments in classes impacted by the changes. [Ord. 2.40.080((i)(12/22/82)

8.04 DISQUALIFICATION:

An applicant, candidate, or employee who fails to meet the designated medical standards shall be disqualified and his/her name shall be removed from the eligible list for permanent appointment, and if appointed shall be dismissed from appointment. If, upon subsequent medical examination, such applicant, candidate, or employee shall meet the position's designated medical standards, that person shall be reinstated to employment or restored to the eligible list for the remaining duration of the list and recertified. Such reinstatement or restoration shall not affect any appointment or conditional job offer made to another certified applicant by the Appointing Authority and an acceptance of such offer made after the employee was dismissed from County employment nor shall it affect any appointment or conditional job offer and acceptance of such offer made while such applicant's name was not on the list. [Ord. 2.40.080(i)] (03/17/05)

8.05 REVIEWS AND APPEALS:

An applicant, candidate, or employee who is disqualified because of failure to meet the medical or physical standards, may appeal to the Human Resources Director in writing within ten business days after the mailing of notification of disqualification. In support of the appeal, the Appellant may file written medical or laboratory reports, X-rays, photographs, or other exhibits or written statements. The Human Resources Director shall then review the entire matter with appropriate medical consultation and may direct that the Appellant be reexamined or that additional medical data be obtained. Upon the completion of such review of the case as may be deemed necessary, the Human Resources Director shall make a determination as to the fitness of the Appellant for County employment and shall so notify him or her. If not satisfied by the decision of the Human Resources Director, the Appellant shall have the further right to appeal to the Commission pursuant to the provisions of Rule 4.04 (03/17/05) (09/28/11)

8.06 EXCEPTIONS:

Medical examinations may be omitted, or specific requirements waived, in the following cases as determined by the Human Resources Director.

- (a) Employees who are appointed to promotional positions requiring the same or less arduous physical standards than those required in their previous positions;
- (b) Applicants who within one year next preceding the date of appointment have passed a County medical examination for the same or more arduous standards;
- (c) Applicants for permanent service of half-time or less; or
- (d) Applicants for positions in which physically handicapped persons may be employed without danger to themselves or others.

8.07 CONFIDENTIAL NATURE OF REPORTS OF MEDICAL EXAMINATIONS:

The report of a medical examination shall be confidential and released only with the consent of the applicant concerned, except that such reports shall always be available to the Human Resources Director, the Human Resources Director's authorized representative, and an appropriately designated or approved physician(s). Any claim by the applicant against the County shall constitute a waiver of the confidential nature of such reports and consent to the use of such reports insofar as material to such claim. Nothing herein shall preclude the Human Resources Director from supplying such information, as he/she deems necessary to a department head or the Commission in order that an informed decision can be made, provided that the Director shall comply with HIPAA confidentiality regulations. (10/25/00)(03/17/05)
(09/28/11)

RULE 9. ELIGIBLE LISTS

9.01 ESTABLISHMENT OF ELIGIBLE LISTS:

The Human Resources Director shall establish eligible lists as a result of:

- (a) **Competitive Examinations:** When competitive examinations are administered on a promotional or departmental promotional basis, the resultant eligible list shall be a listing of all successful employee candidates in rank order of scores. When competitive open examinations are administered, the resultant eligible list shall be a listing of all successful candidates, employee and non-employee, in rank order of scores, intermingled in rank order with the scores of successful candidates who are not permanent County employees. All scores shall include any applicable veteran's preference points. If two or more candidates have identical total scores, they shall be given the same ranking and be certified together. [Ords. 2.40.080(c); 2.40.150] (03/17/05)
- (b) **Non-Competitive Examinations:** An eligible list established as a result of a non-competitive examination shall be a random listing of all candidates who successfully qualify in the examination. [Ord. 2.40.080(f, g)]
- (c) **Layoff or Reduction in Lieu of Layoff:** Employees laid off or who reduce to avoid layoff in accordance with these Rules shall be placed on a "Reemployment List" in reverse order of the succession of layoff prescribed in Rule 12.05. Certifications shall be made from the "Reemployment List" as provided in Rule 10.03. Such list shall be used by every appointing power when a vacancy arises in the same or a lower related class of position as determined by the Human Resources Director for which the person possesses the minimum qualifications. Whenever a vacancy is to be filled, the appointing power shall appoint the person highest on the "Reemployment List" who is available and who was laid off from a position in that particular department. If no one was laid off from the department in which the appointment is to be made, then the appointing power shall appoint any one of the first three persons named on such list. If only two names are on the list he shall appoint one of such persons. If only one name is on the list, he shall appoint that person. (1/24/79)(03/17/05)

9.02 DURATION OF ELIGIBLE LISTS:

An Eligible List which has resulted from an open examination shall be in effect for a period of not less than six months, a Promotional Eligible List and a Reemployment Eligible List shall be in effect for a period of one year following the date that the Human Resources Director notifies the candidates in writing that the list is in effect, or until such time as the list is terminated by action of the Commission or the Human Resources Director in accordance with these Rules. (10/25/00)

9.03 TERMINATION OF ELIGIBLE LISTS:

The Commission may terminate an eligible list upon notification of all eligibles affected by the action. The Human Resources Director may terminate an eligible list at any time when it is not possible, due to a lack of sufficient eligibles and/or insufficient availability of eligibles, to certify at least three persons to an Appointing Authority for consideration in the filling of a position. No list, however, may be terminated that has not been in existence at least three months and contains the name or names of one or more eligibles. (09/28/11) (09/28/11)

9.04 EXTENSION OF ELIGIBLE LISTS:

The Human Resources Director may extend the period of duration of an eligible list provided that no such extension shall cause the list to be in effect more than two years beyond its original effective date. [Ord. 2.40.080 (c, f)]

9.05 MERGING OF ELIGIBLE LISTS:

Provided that any written test used in the examinations involved was of the same content and format, two or more active eligible lists for the same class may be merged by the Human Resources Director. The names of eligibles affected shall be listed in rank order of final examination score, including applicable preference points. If an eligible appears on more than one of the lists involved, only that person's highest score shall be considered. If successive eligible lists for the same class are not merged, the oldest list shall precede the newer one(s). When any action is taken to merge active eligible lists, the Human Resources Director shall report such action to the Commission at its next regularly scheduled meeting. Available eligibles will be provided notification of an announcement for a new recruitment for an employment list, which will be merged, with the one for which they are currently an available eligible. (9/28/88)(03/17/05)

9.06 AVAILABILITY OF ELIGIBLES:

The Human Resources Director shall, prior to or at the time of examination and periodically as deemed necessary during the duration of an eligible list, request that candidates or eligibles specify their availability for employment in the classified service. Such specifications shall include length and nature of appointment, conditions of salary and/or working environment, shifts, locations, and other circumstances relevant to availability for certification. Failure of an eligible to respond to a written inquiry from the Human Resources Director regarding availability within five business days shall constitute good cause for removal from the eligible list. An eligible may request that his/her name be withheld from all certification for a specified period of time. (03/17/05) (09/28/11) (09/28/11)

9.07 REMOVAL FROM ELIGIBLE LIST:

The Human Resources Director may withhold any eligible from certification or remove the name of a person from an eligible list for any of the following reasons:

- (a) Any of the reasons specified in Rule 6.03;
- (b) On evidence that the eligible cannot be located by postal authorities;
- (c) On receipt of a written request from the eligible that his/her name be removed;
- (d) If the eligible declines three offers of permanent appointment to the class for which the list was established;
- (e) If the eligible twice requests that his/her name be withheld from all certification;
- (f) If an eligible, without suitable explanation, does not report to or communicate with an Appointing Authority or the Human Resources Director within five business days of being mailed a notice to do so; (09/28/11) (09/28/11)
- (g) After a request by an Appointing Authority, if an eligible is certified three times and not selected; (03/17/05)
- (h) If the eligible is so physically or mentally incapacitated as to be unable to perform the duties of the position; (03/17/05)
- (i) If the eligible is addicted to the use of intoxicating substances, narcotics, or habit forming drugs; (03/17/05)
- (j) If the eligible has been convicted of a felony or of a misdemeanor involving moral turpitude; (03/17/05)
- (k) If the eligible fails to submit to, or pass the qualifying medical examination required by these Rules; (03/17/05)
- (l) If the eligible has been dismissed from public or private employment for reasons which would be cause for dismissal from County employment; (03/17/05)
- (m) If the eligible refuses to execute the oath as prescribed by law; (03/17/05)
- (n) When the Commission finds, after public hearing, good and sufficient cause. (03/17/05)

The eligible that is being withheld from certification or removed from an eligible list shall be immediately notified of such action. Such notification shall include the reason(s) for action being taken. [Ord. 2.40.080(i)] (03/17/05)

9.08 RESTORATION TO ELIGIBLE LIST:

When the name of a person has been withheld from an eligible list, from certification, or has been removed from an eligible list, it may be restored to its proper position on the list by the Human Resources Director when the Human Resources Director deems that there is good cause

for such action, or by the Commission as corrective action taken as a result of an appeal. (03/17/05) (09/28/11)

9.09 LATERAL TRANSFER FROM OTHER MERIT SYSTEMS:

Upon approval of the Human Resources Director, the names of individuals having permanent status in the classified service of a public agency operating a civil service or merit system may be placed on an open employment list for a comparable class in the County service. (03/17/05)

- (a) In each case, the following conditions must be met: (8/26/98)(03/17/05)
- (1) The class in which employment is contemplated is closely related and comparable in duties and minimum qualifications to the class in which the individual holds permanent status. (03/17/05)
 - (2) The individual must have been employed by the other public agency within one year prior to the date of his or her application to the County. (03/17/05)
 - (3) The individual was appointed to the class in which he or she holds permanent status from an eligible list resulting from an open competitive or promotional examination which meets the standards of the County. (03/17/05)
 - (4) There must be written information submitted by the other public agency and on file with the Commission confirming the individual's permanent status and containing the following statements: (03/17/05)
 - (A) The employment record of the individual has been entirely satisfactory; (03/17/05)
 - (B) The individual has not been separated, nor is he/she being considered for separation, due to fault or delinquency on his/her part. (03/17/05)
 - (5) The individual may be required to take and pass an oral examination as administered by an oral board as provided in Rule 7.02 (03/17/05)
 - (6) The individual shall meet the medical requirements as provided in Rule 8. (03/17/05)
 - (7) The names of such individuals shall be placed on the open eligible list in the order of their approval and shall follow any names which may already appear on the eligible list. (8/23/78)(03/17/05)

RULE 10. CERTIFICATION AND APPOINTMENT

10.01 REQUEST FOR CERTIFICATION:

Whenever a vacancy is to be filled in the classified service, the Appointing Authority involved shall request, on a form provided by the Human Resources Director for that purpose, that a certification of eligibles be made. The request shall specify the nature and specific requirements of the position, the hours and location of the job, and any other information which might impact the availability of candidates.

10.02 CERTIFICATION:

Upon receipt of a certification request, the Human Resources Director shall certify to the Appointing Authority nine ranked eligibles (and their ties) and one additional ranked eligible for each vacancy to be filled in the class. Such eligibles shall have indicated their availability to accept appointments under those conditions specified by the Appointing Authority and deemed by the Human Resources Director to be justified. The Appointing Authority or designee may interview eligibles who are reasonably available from the certified eligible list who meet the specific requirements of the position. "Reasonably available" means the eligible contacts the Appointing Authority within five business days after notification of the request to schedule an interview. If fewer than the full number of ranked eligibles are available for certification from the list, additional ranked eligibles shall be certified from the various lists next lower, in order of precedence, until sufficient ranked eligibles are obtained. If fewer than the required number of ranked eligibles are available for certification from all lists as specified above, the Human Resources Director shall certify the ranked eligibles that are available even though fewer than the required number. As non-competitive examinations do not rank candidates in order of fitness, all names from such lists established as the result of non-competitive examinations shall be certified to the Appointing Authority. [Ord. 2.40.080(d,f,g)] (10/25/00)(03/17/05) (09/28/11)

10.03 ORDER OF PRECEDENCE IN CERTIFICATION:

The Human Resources Director shall observe the following order of precedence in certifying the ranked eligibles from eligibility lists:

- (a) Eligibles on Reemployment List;
- (b) Promotional eligibles from within the department having the vacancy;
- (c) Promotional eligibles from outside the department which has the vacancy; (03/17/05)
- (d) Eligibles on the Open competitive list; (03/17/05)
- (e) Non-competitive list eligibles; and (03/17/05)

- (f) Eligibles from other related lists which require equal or greater qualifications, and which the Human Resources Director deems to be appropriate for use, with the exception that eligibles on a Departmental Promotional list may only be certified to the department originally requesting the establishment of said list. (5/23/79)(03/17/05)

10.04 INCOMPLETE CERTIFICATION:

Whenever there are one or more ranked eligibles on a list, appointment to permanent, provisional, or temporary positions should be made from the list. If, however, a certification made pursuant to Rules 10.02 and 10.03 is incomplete, the Appointing Authority involved may refuse to appoint from the list and request that a new examination be called. (09/28/11)

10.05 FAILURE OF AN ELIGIBLE TO ACCEPT OR REPORT:

If upon certification an eligible declines in writing or neglects to report to or communicate with an Appointing Authority within five business days after transmission of a notice to do so, the name of the next available person on the eligible list shall be certified. [Ord. 2.40.080(i)] (09/28/11)

Section 2.40.020 Commission--Creation--Membership.

There is created a civil service commission of five members which shall be appointed by the county board of supervisors. The members of this commission shall be selected from among the qualified electors of the county and each of them shall hold office for a term of four years and until his successor is appointed and qualified. Vacancies occurring in the commission shall be filled by appointment by the board of supervisors for the remainder of the unexpired term only. The terms of office of two members of the first civil service commission shall be one year. The terms of office of the other members of the commission shall be two, three and four years, respectively. The members thereof shall determine by lot the relative order of the expiration of their terms. No member of the commission shall hold any other salaried county office, nor shall he have been, within the year next preceding his appointment, an active executive officer in any political organization. Each member shall have been a resident of the county for one year next preceding his appointment. The board of supervisors, by a four-fifths vote of all the members, may remove a member of the commission during his term of office, but only upon stating in writing the reasons for such removal and allowing him an opportunity to be publicly heard in his own defense. The commission shall elect one of its members president.

Section 2.40.030 Compensation for commission members.

The members of the civil service commission shall each receive as compensation the sum of one hundred and fifty dollars for their attendance at each full-day meeting of the commission or seventy-five dollars for each half-day meeting of the commission. A half-day meeting of the commission is defined as a meeting which lasts less than four hours from call to order to adjournment. In addition, the members of the commission shall receive reimbursement for mileage traveled as provided elsewhere by the county code from their place of residence to the place of the meeting of the commission and return.

Section 2.40.040 Operating funds.

The board of supervisors of the county shall appropriate funds to defray the expenses necessary and incident to the operation of the civil service system as herein provided for.

Section 2.40.050 Contracting for examinations.

The board of supervisors of the county may contract with any other county or city, any state department, or any competent person or agency for the conducting of competitive examinations to ascertain the fitness of applicants for employment and for the performance of any other service in connection with personnel selection and administration.

Section 2.40.080 Commission rules.

The rules of the civil service commission shall provide:

- (1) For the classification of all positions in the classified service;
- (2) For open competitive examinations to test the relative fitness of applicants for such positions;

- (3) For the creation of eligible lists resulting from competitive examinations upon which shall be entered the names of successful candidates in order of their standing and examinations. The lists shall remain in force not longer than two years;
- (4) For the appointment of one of the ten persons standing highest on the appropriate competitive eligible list; provided that an appointing authority may elect to request certification and make an appointment where there are less than ten persons on an appropriate existing eligible list;
- (5) For noncompetitive examinations for minor positions in the county institutions when competition is found by the civil service commission to be impractical;
- (6) For the creation of eligible lists resulting from noncompetitive examinations upon which shall be entered the names of all successful candidates. The lists shall remain in force not longer than two years;
- (7) For the appointment of any eligible from a non-competitive eligible list;
- (8) For public advertisement of all examinations;

- (10) For a period of probation not to exceed the equivalent of six months of full time service before appointment or promotion is complete, except in the case of Deputy Sheriff, and Sheriff's Dispatcher, Juvenile Services Officer I, Juvenile Services Officer II (lateral transfer), Deputy Probation Officer I, and Deputy Probation Officer II (lateral transfer) whose probation shall be the equivalent of one year of full time service, during which period a probationer may be discharged or reduced without a hearing. - (11) For the provisional appointment of persons to permanent positions without examination when no eligible list exists for the class or when the eligible list contains insufficient names to permit complete certification. The provisional appointments shall only be made with the prior consent of the personnel director. No provisional appointment shall continue beyond the date of promulgation of an appropriate eligible list for the class of employment, and in no event shall continue longer than six months. Successive provisional appointments are prohibited. Acceptance or refusal to accept a provisional appointment on the part of a person on the eligible list shall not be a bar to a permanent appointment from the eligible list;
- (12) For the temporary appointment of persons to nonpermanent positions from the appropriate eligible list where such exists and the eligible thereon are willing to accept the appointment. Where no appropriate eligible list exists or where it contains insufficient names to permit complete certification, the temporary appointments may be made without examinations with the consent of the personnel director. In case of emergency where no eligible list exists, consent may be granted retroactively, provided the fact is reported to the personnel director no later than the end of the pay period within which the temporary appointment occurred. Temporary appointments to nonpermanent positions shall not continue for longer than nine hundred sixty hours within any fiscal year. Acceptance or refusal to accept a temporary appointment on the part of a person on an eligible list shall not be a bar to a permanent or provisional appointment from the eligible list;

(13) For transfer from one position to a similar position in the same class and salary range or to a position in another class with the same salary range, either within the same department or in another department, provided that the employee meets the minimum qualifications for the classification. The transfers shall be with the consent of the personnel director. In case of denial, the employee may appeal to the civil service commission.

(14) For reinstatement of permanent employees within one year, provided such persons have been separated from or reduced within the county civil service without fault or delinquency on their part; provided, however, that persons employed by the county, holding positions subject to the provisions hereof, who have entered the armed forces of the United States during a national emergency proclaimed by the President or the Congress of the United States, or an Act of Congress providing for peacetime induction or conscription, and who have been honorably discharged or on the inactive or reserved list, or relieved from such military service with a certificate of satisfactory service, shall be reinstated without loss of status, seniority or efficiency ratings to the position held by them prior to entry into such federal service, or to positions of like seniority and status, unless in the meantime such positions have been abolished, on condition that application for reinstatement is made within ninety days after release from the armed forces, and on the further condition that such persons are still qualified to perform the duties of the positions previously held by them or of such like positions. All persons appointed or transferred to fill the positions and all other persons appointed or transferred to other positions by reason thereof shall be termed to be substitute employees, and the substitute employee may be separated from such positions at any time, unless they held positions subject to the provisions of the ordinance immediately prior to the appointment or transfer as substitute employees. In any event, and notwithstanding any other provisions hereof, they shall be reinstated without loss of status or seniority to the permanent positions which they held immediately prior to their first appointment or transfer as such substitute employees to positions of like seniority and status unless, in the meantime, such positions have been abolished.

Any permanent position which remains continuously unfilled for twenty or more calendar days, due to the incumbent's approved leave of absence, may be filled by a substitute employee pursuant to a request made by the appointing authority and with the prior approval of the personnel director. Substitute employee appointments shall occur on, or at any time after, the effective date of the leave of absence; provided, that the incumbent employee is medically qualified to return to his/her former position, the appointment of the substitute employee shall be terminated prior to the return of the incumbent from the leave of absence. If the incumbent employee is not medically qualified to return to his/her former position, the substitute employee shall assume the position.

Incumbent employees have an absolute right to return to a position in their original class of employment subject only to the requirement that the position or class has not been abolished, and subject further to the medical examination requirement of civil service rule 8.02(b). A new probationary employee, who is laid off due to the return of the incumbent, shall be rejected and terminated from employment in the classified service. A substitute employee who achieved permanent status in any lower level position prior to the substitute appointment, and who is laid off due to the return of the incumbent, shall be permitted to return, without loss of status or seniority, to that permanent position, unless in the meantime such position has been abolished. A substitute employee who achieves permanent status in the substitute appointment position, and who is laid off due to the return of the incumbent, may also have bumping rights as to similar

allocated positions. Any other employee displaced due to the exercise of layoff rights by a substitute employee shall have those layoff rights as provided for in the civil service rules.

A substitute employee must meet the minimum qualifications for the class to which he/she is appointed as a substitute employee. All substitute appointments will be from appropriate eligible lists. Substitute employees shall serve a probationary period, shall receive time in service for purposes of layoff while serving as a substitute employee, and shall be subject to all provisions of the civil service rules, including especially those dealing with probation and disciplinary action;

(15) For promotions based on competitive examinations and records of efficiency, character, conduct and seniority. The provisions of subsection (4) of this section shall apply with respect to promotions. An advancement in rank or an increase in salary beyond the range fixed for class shall constitute promotion;

(16) For a systematic manner of reporting upon the performance of employees in the classified service;

(17) For the establishment of a plan for resolving employee grievances and complaints;

(18) For the adoption and amendment of rules only after public notice and hearing.

The commission shall adopt such other rules not inconsistent with the foregoing provisions hereof as the commission may consider necessary and proper.

Section 2.40.090 Vacancies in peculiar positions.

In case of a vacancy in a position requiring peculiar and exceptional qualifications of a scientific, professional or expert character, upon satisfactory evidence that competition is impracticable and that the position can best be filled by the selection of some designated person of recognized attainments, the personnel director, if designated by the rules of the commission, or the commission by affirmative vote of three members of the commission, may suspend competition. No such suspension shall be general in its application to such positions, and all such cases of suspension shall be reported, together with the reasons therefore, in the annual reports of the commission.

Section 2.40.100 Examination requirements.

All examinations shall be impartial and shall deal with the duties and requirements of the class for which they are given. Records of all examinations showing the basis of rating shall be maintained. The examinations shall be administered by the personnel director. The commission may call on other persons to draw up, conduct or grade examinations, and when such persons are county employees, it shall be deemed a part of their official duties to perform such services without extra compensation.

Section 2.40.110 Discrimination prohibited.

No person employed under the system hereby created or seeking admission thereto shall be appointed, reduced, removed or in any way favored or discriminated against because of political or religious opinions or affiliations, or because of age, sex, race, color, national origin, marital status, disability, sexual orientation, or other non-merit factors.

Section 2.40.120 Reductions, suspensions and dismissals.

Reductions, suspensions and dismissals shall be made pursuant to the following provisions:

(1) Any officer or employee in the classified service may be dismissed, suspended or reduced in rank or compensation by the appointing authority after appointment or promotion is completed through the prescribed probationary period by a written order, stating specifically the reasons for the action. The order shall be filed with the county personnel director and a copy thereof shall be furnished to the person

to be dismissed, suspended or reduced.

(2) Employees designated by the board of supervisors as salary basis employees within the meaning of the Fair Labor Standards Act shall not be subject to any disciplinary actions in the form of reduction in pay for a workweek or less except where the penalty is imposed for infractions in safety rules of major significance.

(3) The officer or employee may reply in writing to the order within ten days from its filing with the county personnel director. The officer or employee may, within ten days after presentation to him of the order, appeal through the county personnel director to the civil service commission from the order. Upon the filing of the appeal, the county personnel director shall forthwith transmit the order and appeal to the civil service commission for hearing.

(4) Whenever possible, within twenty days from the filing of the appeal the commission shall commence the hearing, and either affirm, modify or revoke the order. The appellant may appear personally, produce evidence and have counsel and a public hearing as prescribed by law.

(5) The findings and decision of the commission shall be certified to the appointing authority whose action was the subject of the hearing and forthwith be enforced and followed by him.

Section 2.40.130 Employee status.

All persons in the county service holding positions in the classified service as established by the ordinance codified herein or any earlier ordinance and who have been in such service for the six months next preceding June 22, 1964, shall hold their positions until discharged, reduced, promoted, resigned, suspended, transferred or terminated in accordance with the provisions hereof.

Section 2.40.140 Prerequisites to salary payment.

The auditor shall not approve any salary or compensation for services to any person holding or performing the duties of a position in the classified service or serving under a provisional or temporary appointment unless the payroll or account for such salary or compensation shall bear the certificate of the personnel director on behalf of the civil service commission that the person or persons named therein have been appointed or employed and are performing service in accordance with the provisions and the rules established in this chapter.

Section 2.40.150 Veterans' preference.

Persons found eligible pursuant to the provisions below as to service and type of discharge or separation from the armed forces of the United States, who enter any competitive civil service examination for original appointment in the classified service, and who attain at least the minimum rating established for the examination, shall be given a preferential credit in the amounts set forth below, which when added to his or her actual rating on the examination shall constitute his or her total rating.

(a) A preferential credit of five percent of the maximum rating shall be added to the examination score of an individual who meets any of the following criteria:

(1) Any honorably discharged or separated veteran of the armed forces of the United States who has served in such forces during a period of war or armed insurrection as defined by the regulations of the United States Veterans' Administration;

(2) The spouse of any veteran who is found eligible by reason of services indicated above and who because of total disability is prevented from following any remunerative occupation;

(3) The unremarried widow of any veteran whose service and discharge or separation is of a character to establish preference as indicated above.

- (2) Has on file with the County Veterans' Service Office an acceptable Veterans' Preference Certificate; and

VI. HEARINGS OF GRIEVANCES, APPEALS, PETITIONS

A. HEARING PROCEDURES:

Civil Service Commission Rule 4.05 provides for the production of evidence at the hearing of a grievance or appeal for the taking of testimony from witnesses. Evidence may be in the form of affidavits, or exhibits, or other writings. Documentary evidence is sometimes extensive, and the Commission has in the past experienced significant delays in the conduct of the hearings because sufficient quantities of the documents submitted by a party were not available or were not marked for identification in order that they could be efficiently and accurately accounted for and referred to. In addition, Commission hearings have been delayed by the failure or inability of the parties to have witnesses available at the hearing in a timely fashion. Therefore, the following procedures shall be followed to facilitate an efficient process for the submission and production of documentary evidence and witness testimony. (09/28/11)

1. Stipulations: The appellant and the respondent may meet with the Commission Secretary prior to the commencement of the hearing of a grievance or appeal (referred to as a pre-hearing meeting) in order to explore the issues, possible settlement of the matter(s), or entering into stipulations. When utilized by the parties, stipulations shall be in writing and should include the following:
 - a. Issues of law that the parties deem to be not in dispute.
 - b. Issues of law that the parties deem to be in dispute and which the parties desire the Commission to resolve.
 - c. Issues of fact that the parties deem to be not in dispute.
 - d. Issues of fact that the parties deem to be in dispute and which the parties desire the Commission to resolve.

Before the taking of evidence in a grievance or appeal, the parties shall deliver to the Commission Secretary one copy of the stipulations.

2. Documentary Evidence: If either party desires to produce documentary evidence for the hearing of a grievance or appeal, each party shall make every effort to provide the Commission Secretary with the documents intended to be introduced no later than 9:00 a.m. seven (7) business days prior to the hearing.
 - a. All documentary evidence shall be submitted in accordance with the following requirements:

- (1) The documents shall be in true and legible form for the purpose of reproduction (e.g. "Camera-ready documents") and shall be submitted in the preferred reference order.
- (2) There shall be one (1) set of originals, printed on one side of paper.
- (3) Any party desiring to introduce documentary evidence in colored text shall provide eight (8) copies of such evidence.
- (4) Where required by law, all documents which identify an individual by name shall be submitted with the names in redacted form (e.g., an individual with the name "Margaret Smith" shall appear as "Margaret S."); similarly documents which contain other information of a confidential nature (such as, social security numbers or medical information) that is, in itself, not relevant to a matter at issue, shall be submitted with the confidential information redacted.

b. The Commission Secretary will number evidence exhibits, duplicate copies (except as provided in 2.a.(3), above), and shall distribute hearing packets no later than five (5) business days prior to the actual hearing. The Secretary shall mark each document in numerical order for identification in the record. The documents shall be marked as follows:

- (1) Appellant's exhibits with the initial "A";
- (2) Respondent's exhibits with the initial "R"; (09/28/11)
- (3) Commission exhibits (if any) with the initial "C".
- (4) Joint exhibits (if any) with the initial "J"; (09/28/11)

3. Witnesses:

a. Requesting Assistance of Commission Secretary: If a party anticipates difficulty in obtaining the presence of a witness at the hearing of a grievance or appeal and the witness is an officer or employee of the County, the party may request assistance from the Commission Secretary. The Secretary shall contact the officer and employee and apprise the officer and employee in lieu of issuing a subpoena, the Secretary is requesting the officer or employee's attendance at the hearing for the purpose of providing testimony to the Commission. In the event that the Secretary is unable to secure the attendance of a witness informally, if the party does not desire to utilize the services of the Secretary, or if the proposed witness is not a County officer or employee, the party may have the witness subpoenaed in accordance with Rule 4.07(l).

b. Subpoena of Witnesses and Production of Records:

(1) Authority: The Commission's subpoena powers derive from the following enactments:

(a) California Government Code Section 31110.2.

(b) San Luis Obispo County Code Section 2.41.010, which provides:

"2.41.010 Subpoenas. (a) The Civil Service Commission shall have the power to issue subpoenas and subpoenas duces tecum. This power shall be exercised and enforced in the same manner as a similar power granted the Board of Supervisors in Article IX (commencing with Section 25170) of Chapter 1 of Part 2 of Division 2 of Title 3 of the Government Code of the State is exercised and enforced; except that such power shall extend only to matters within the Commission's lawful jurisdiction, and that committees of the Commission shall not have this power.

(b) Any and all fees and/or expenses connected with the subpoena of any witnesses shall be paid by the person or entity requesting the subpoena. The Civil Service Commission shall have the power to issue subpoenas and subpoenas duces tecum on its own behalf and to compensate those persons subpoenaed on the behalf of the Commission.

(c) Not more than ten subpoenas shall be issued to each person or entity requesting that subpoenas be issued, unless said person or entity shall have first a showing to the Civil Service Commission that each witness, for which a subpoena is requested, is reasonably necessary for presentation of the case of the person or entity and that the testimony of each such witness will not be merely cumulative in nature.

(d) Subpoenas shall be signed by the President or Secretary of the Commission. Any member of the Commission, or any other person so empowered may administer oaths to, or take affirmations from, witnesses before the Commission. (Ord. 1214, Section 1, 1762)."

(c) Civil Service Commission Rule 4.05(k).(09/28/11)

(2) Procedure: The procedure for issuing and serving Commission subpoenas and/or subpoenas duces tecum shall be as follows:

(a) For each witness desired to be subpoenaed by a party to a proceeding before the Commission, the party shall:

- (1) Obtain from the Human Resources Director the Commission's subpoena form, fill out the form and deliver the completed form to the Human Resources Director,
 - (2) Obtain from the Human Resources Director a San Luis Obispo County Sheriff's form of "Instructions for Service", fill out the form and deliver the completed form to the Human Resources Director; and
 - (3) Pay to the Human Resources Director the fees required by the Sheriff of the County of San Luis Obispo for service of the subpoena.
- (b) Upon receipt of the above forms and fees, the Human Resources Director shall review the forms for completeness and shall review the record of the proceedings to ascertain the number of subpoenas that have been issued for the requesting party.
- (c) If the party requesting the issuance of subpoenas has issued, or is requesting to be issued, a total of more than ten subpoenas, then the Human Resources Director shall:
- (1) Issue the subpoenas requested, but only so many of them as will result in a total of ten subpoenas being issued for any one party, and
 - (2) As to the rest of the subpoenas requested in excess of ten, inform the Commission at the Commission's next meeting of the request. The Commission shall issue for the requesting party any subpoenas in excess of ten provided that the requesting party can show:
 - (i) The subpoena is for a witness whose testimony is reasonably necessary for the presentation of the party's case, and,
 - (ii) The testimony of each such witness will not be merely cumulative in nature.
- (d) After a subpoena has been issued, it, together with its "Instructions for Service" and its fees for service, shall remain in the custody of the Human Resources Director who shall deliver them to the Sheriff of the County of San Luis Obispo for service in accordance with California Government Code Section 25173.
- (3) Maintenance of Subpoena Records: The Human Resources Director shall keep a record of each subpoena requested of, and each subpoena

issued by, the Commission. These records shall be available to the public unless otherwise ordered by the Commission.

4. Pre-hearing Meeting of the Parties: When an appeal or grievance is set for hearing the Human Resources Director shall schedule a pre-hearing meeting, at a time mutually acceptable to the parties and the Human Resources Director. The purpose of the pre-hearing meeting is to inform the parties of their pre-hearing obligations and to assist the parties in carrying out their responsibilities as set forth in these Procedural Guidelines. If either party refuses or is unable to meet with the Human Resources Director, the Human Resources Director shall inform the Commission.

B. COMMISSION HEARINGS:

1. With the understanding that the President of the Commission shall have final authority on the order and length of time of presentations, the following order of hearing presentation shall be followed where applicable:

2014	1	President
	2	Vice President

2015 and beyond (repeat)

If a member of the Commission opts not to be the President during his/her rotation, then the member who is next in order may be President.

VIII. MEET AND CONFER PROCESS

This policy establishes procedures for meeting and conferring in good faith with recognized employee organizations regarding matters within the scope of representation that directly affect and primarily involve administration of the County’s Civil Service Ordinances. It is the established policy of the Commission to conduct joint meet and confer sessions with all employee organizations which have been accorded “exclusive representative” status by San Luis Obispo County Board of Supervisors and County Management.

A. SECTION I DEFINITIONS:

In addition to the definitions contained in Rule 2 of the San Luis Obispo County Civil Service Commission Rules, the following definitions shall apply:

1. **EXCLUSIVE REPRESENTATIVE:** The employee organization formally recognized by San Luis Obispo County Board of Supervisors by resolution as the sole bargaining representative of an appropriate unit of County employees for the purpose of meeting and conferring with the County.
2. **IMPASSE:** Point at which the representatives of the Commission and the recognized employee organization(s) have reached in their meet and confer process where the differences on matters to be included in a Memorandum of Understanding remain so substantial or prolonged that further meeting and conferring would be futile.
3. **COMMISSION REPRESENTATIVE:** Person(s), corporation, firm or partnership designated by the Commission which represents the Commission in negotiation during the meet and confer process regarding proposed Civil Service rule changes.
4. **MEDIATION:** Efforts by an impartial third party mutually requested to assist in reconciling an impasse between the representative of the Commission and the exclusively recognized employee organization(s) regarding proposed Civil Service Commission rule changes, through interpretation, suggestion and advice.
5. **MEET AND CONFER OR MEET AND CONFER IN GOOD FAITH:** The Commission and/or its designated representative and the representatives of employee organization(s) which have been accorded "exclusive representative" status by San Luis Obispo County Board of Supervisors' resolution shall have the mutual obligation to meet and confer promptly and in person upon request by either party and to continue for a reasonable period of time in order to exchange freely information, opinions, and proposals, and to endeavor to reach an agreement on matters within the scope of representation.
6. **RULE CHANGE:** The process of changing present rules or making new rules consistent with the County's Civil Service Ordinances.

B. SECTION II PROCEDURAL GUIDELINES

1. **ROUTINE RULE CHANGES:** The following procedure shall be followed with respect to any proposed rule change of a routine non-emergency, non-priority nature.
 - a. Requests for civil service rule changes, together with rationale for such changes, shall be submitted in writing to the Commission prior to September 30 of each year.
 - b. If a proposed rule change is appropriate for the meet and confer process the Commission's representative shall notify all recognized employee organization(s) and the County Administrative Officer within seven (7) days to indicate in writing whether that organization or management desires to meet

and confer with the Commission's Representative regarding the proposed change.

- (1) If no employee organization or management indicates its desire to negotiate on the proposed rule change within the allotted time period, the Commission shall proceed to consider the change without regard to the meet and confer process.
 - (2) If any employee organization or management indicates a desire to meet and confer on the proposed rule change, such proposed rule change shall be scheduled for an annual meet and confer process with all organizations.
2. **PRIORITY RULE CHANGES:** When it is determined that there is an immediate need for a rule change, and upon four- fifths vote of the Commission, a priority rule change procedure may be ordered by the Commission. The priority rule change procedure shall be subject to all provisions of Section II of the Commission's Meet and Confer Process Policy, excepting only Part 1.a. and 1.b.
3. **EMERGENCY RULE CHANGES:** The Commission may make emergency rule changes consistent with County Ordinances and in harmony with the procedures set forth in the Government Code, Section 3504.5, paragraph 2:

"In cases of emergency when the governing body or such boards and commissions determine that an ordinance, rule, resolution or regulation must be adopted immediately without prior notice or meeting with a recognized employee organization, the governing body or such boards and commissions shall provide such notice and opportunity to meet at the earliest practicable time following the adoption of such ordinance, rule, resolution, or regulation."

4. **MEET AND CONFER PROCEDURE:** Since it is the policy of the Commission to have only joint bargaining, the Commission's representative will attempt to reach a single Memorandum of Understanding (MOU). Such Memorandum of Understanding shall not be binding unless approved by the Commission.
- a. If agreement is reached, the negotiated MOU shall be submitted to the Commission for scheduling of a noticed public hearing. Based on testimony submitted during the noticed public hearing, the Commission can either:
 - (1) Ratify the MOU and adopt the negotiated rule change;
 - (2) Defer action on the proposed rule change;
 - (3) Or, refer the proposed rule change back to the Commission representative and other original negotiating parties for further meet and confer sessions.
 - b. If the meet and confer process has reached impasse, any party may initiate the impasse procedures, by filing with the other parties a written request for an impasse meeting, together with a statement of its position on all disputed issues. An impasse meeting shall then be scheduled by the Commission's representative. The purpose of such impasse meeting shall be:

- (1) To identify and specify in writing the issue or issues that remain in dispute;
 - (2) To review the position of the parties in a final effort to resolve all such disputed issue or issues; and
 - (3) If the dispute is not resolved, to discuss arrangements for the utilization of an impasse procedure.
5. IMPASSE RESOLUTION: The parties may decide either that the disputed issues be submitted directly to and resolved by the Commission after a noticed public hearing, or that the dispute be submitted to mediation by mutual agreement.
- a. If submitted to mediation the following procedure shall be followed:
 - (1) The mediator shall be provided by the State Conciliation Service or shall be some other mediator mutually agreed to by the parties. The mediator shall render services at no cost to the County;
 - (2) The role of the mediator shall be to assist the parties in reaching a voluntary resolution on those matters submitted to the impasse procedure;
 - (3) All mediation proceedings shall be private. The mediator shall neither make public recommendation nor make any public statement of position at any time concerning the issue;
 - (4) Mediation efforts shall continue until agreement is reached or the mediator notifies the Commission that further mediation would be futile;
 - (5) If the parties reach an agreement on all issues in mediation, said agreement shall be placed in an MOU and submitted to the Commission for its determination according to paragraph 4.a. of this section;
 - (6) If the parties fail to resolve the dispute through mediation, the dispute shall be submitted to the Commission for further action;
 - (7) In submitting the dispute to the Commission, the Commission's representative shall present:
 - (a) Those rules and positions on which agreement has been reached with all of the employee representatives;

- (b) Those rules and positions on which agreement has been reached with any of the employee representatives;
 - (c) Those rules and positions on which the parties are unable to agree and a summary of the positions held by each party at impasse.
- (8) The employee organization(s) and any other interested parties shall have an opportunity to further amplify or restate their position(s) on the items at impasse at the impasse hearing held before the Commission.
- b. When disputed issues are submitted to the Commission, the Commission shall consider one of four alternatives after a noticed public hearing:
- (1) Send the proposals back for further meet and confer sessions;
 - (2) Adopt a rule(s) acceptable to the Commission;
 - (3) Defer action on the rule change;
 - (4) Reject adoption of rule(s) unacceptable to Commission.
