Other current/Prior memberships: _____

CANDIDATE QUESTIONNAIRE

1. Please explain your reasons and objectives for seeking elected office in your respective race:

2. Please explain why you believe that you are the best candidate running in your race:

3. Briefly describe your top priorities and the policy areas that will be of most interest to you should you be elected to the office you are seeking:

4. How will your election to the seat you are seeking benefit the constituency that you will be serving?

5. How will your election to the office you are seeking benefit public employees?

6. What public administration or leadership experience do you have?

7. Do you currently participate in or belong to any community or civic organizations, clubs, fraternities, commissions, boards, etc?

8. Under what circumstances, if any, do you favor privatization of existing government services?

9. What new revenue sources would you propose to support improved public services?

10. Currently, most public employees are enrolled in a defined benefit pension plan, such as that administered by CalPERS or the San Luis Obispo County Employee Pension Trust:

a. What is the extent of your knowledge as it relates to defined benefit pensions?

b. Do you believe that public employees should receive a defined benefit pension?

11. Do you support or oppose the position that workers should be able to freely choose for themselves whether they want to form or join a union without employer interference?

12. Do you support a law limiting or impairing the collective-bargaining rights for government employees in the state of California?

13. Would you publicly support and actively encourage employers to negotiate in good faith and uphold their collective bargaining agreements with their workers? Why or why not?

14. What other information do you believe is important for the members of SLOCEA to know about you and your campaign as they continue the process of evaluating the candidates and deciding who to support in the current election?

I hereby attest that my answers to the preceding questions are true and accurate.

CANDIDATE PLEDGE

As a candidate and potential elected official I hereby pledge: to support the collective bargaining rights of all public employees as they now exist under California law; to allow public employees to exercise these rights free of employer coercion, intimidation, or retaliation; and to oppose the use of public funds in support of any effort to deny public employees these rights.
